The Missions Committee wants to encourage the congregation to participate in an opportunity to show the Derksens some extra loving care upon their return from Mongolia with their need to set up house-keeping. We'd like to ask those who would be interested to bring non-perishable items to the church by May 12th for drop-off into a box in the foyer that will be passed on to the Derksens. A list of items is on the back of "Safe Sunday" Insert.
