The Millers are anticipating a short
summer visit to Canada and will be
spending a month in the Three Hills
area.

They would appreciate prayer for:

- * Spiritual health of the school.
- * Endurance for the hot season.
- * Logistics of their summer travels
to all come together

The Missions Committee
wants to encourage the
congregation to participate in
an opportunity to **show the
Derksens some extra loving
care upon their return from
Mongolia** with their need to
set up housekeeping. **We'd
like to ask those who would
be interested to bring
non-perishable items to the
church by May 12th** for
drop-off into a box in the foyer
that will be passed on to the
Derksens.
