

# Through The Eyes Of Doubters

Matthew 27:62-28:15

1. What insight, principle or observation from this week's message did you find to be most helpful, eye opening or troubling? Please explain.
2. What evidence for the resurrection have you heard or can you think of?
3. The entire Christian faith hangs on the resurrection. Erase the resurrection and you erase Christianity. Interact with that statement. How does that make you feel, what does it make you think about the Christian faith? What implications are there if this statement is indeed true?
4. We often think that our beliefs and doubts are just tied to facts/information. Read Matthew 27:62-28:15. How does this story show it is bigger than just information or facts?
5. Everyone in this story was doubters, what seems to keep the religious leaders from faith? What was different about the women?
6. Read Matthew 28:9. The resurrection demands something, according to this verse what did it demand? What does it still demand today?
7. The religious leaders were not willing to "accept" the resurrection and what it would demand of them (worship, surrender, everything), I don't think we are much different today. Interact with this statement.
8. If the resurrection demands our worship, surrender, our everything, what are you finding difficult right now to put under the authority of Jesus and worship him?
9. Pray together.
