

2-A Lying Tongue

Acts 4:32-5:11, Colossians 3:9-10

1. What insight, principle or observation from this week's message did you find to be most helpful, eye opening or troubling? Please explain.
2. When have you lied and you were caught for it? Have you ever tried lying to God?
3. Why do you think we are tempted to lie, or why does it look appealing?
4. How have you seen (in your own life or others) lies erode trust and a relationship? How have you felt when you learned that someone lied to you? What did it do to your relationship with them if they never confessed it (you found out through someone else or another way)?
5. Read Acts 4:32-5:11. Why do you think Ananias and Saphira conspired together to lie when it appears, they could have done whatever they wanted with the land or the money from the sale?
6. Alvin said, "we are lied to, to lie." What lie do we believe that convinces us that lying is a good option?
7. If lies are spoken with the false assumption that it will get us ahead or give us an advantage, in what areas of life are you, or have you been tempted to lie? (relationships or people pleasing, the truth about your past, exaggeration, in school or work...ect)
8. Read Colossians 3:9-10. What does Paul say about the new life we have in Christ? How could you become more truthful in your life? How do you think that will impact your relationship with God and others?
9. Pray for each other.
